

MOUNT SINAI - MILLER PLACE CHAMBER ALLIANCE

Spring Awakening Member Meeting April 21, 7 to 8pm via Zoom

Happy Spring fellow members! We are celebrating a Spring Awakening, we have been dormant for way too long and are getting ready to revive our events and new programs for the coming year.

Members who attend this meeting are invited to visit our new member Agway, 295 Rt, 25A, Mt. Sinai from April 22 to 30 to pick up a free small potted plant compliments of Agway. Just let them know your a member of the chamber and are there to show your support.

Our new and updated website is coming along nicely! Please remember to submit your personal and business biographies, along with any promotions to our website. Our new webmaster Bob Torella will briefly showcase our new website and demonstrate how to upload your information.

We have wonderful news, we are creating a new program named the "Loyalty Discount Card Program". It is a free benefit for chamber members only to be able to offer discounts and promotions to community patrons. It's a tool to entice patrons to purchase product and services for which our members provide. The card cost is \$10 each for all to purchase. Details will be discussed further at the meeting.

We are excited to get together at this informative meeting you wouldn't want to miss! Please RSVP via email at mssmpchamber@gmail.com , we will then send the zoom link to you.

Thank you for your continued support !
