

Hello valued members, we hope you had an enjoyable summer ! We had a great time at the Chamber Luau Party at Cedar Beach, thanks to all who joined us. We have become a sponsor of the Heritage Trust, which provides a great opportunity to promote our Chamber at their many events located at the Heritage Center and Heritage Park in Mt. Sinai. We attended their outdoor movie night and outdoor concerts. We have met great people in the community and were able to fundraise with raffles.

The volunteer board of five people meet every month and are working on many ways to support the Chamber and its members. We need member support by attending our meetings and events, as well as help to plan and implement them. Please let us know if you can help in any way. We so appreciate it and need it.

This time of year is "Back to School and Back to Business". We would like to know how your business is doing and how the Chamber can help you. We have our Loyalty Card Program, Member of the Month, Network Meetings, Events and Ribbon Cutting Ceremonies, to name a few, which are great benefits for our members to partake.
