

Mount Sinai - Miller Place Chamber of Commerce
PO Box 566, Mount Sinai, NY 11766
msmpchamber.com

Dear Business Owners and Residents of the Mount Sinai and Miller Place Communities,

Spring is here, it is a time to **rejoice, reassess and renew**. **Rejoice** our freedoms to dream and express our desires. **Reassess** the needs of our communities and how we can help. **Renew** faith and vision for our future.

With warmer weather arriving, we can spend more time outdoors, socialize more, enjoy our freedoms and experiences in our beautiful hamlets of Mount Sinai and Miller Place.

We are reassessing our needs and what it takes to operate our chamber. We are all limited for time with the commitments we have in life. However, only together can we succeed! We are calling on all members of our community and membership to volunteer for only a few hours per month.

We are currently a board of five people and have already established a good foundation for the Mount Sinai-Miller Place Chamber of Commerce.

Our mission is to strengthen our local economy by promoting businesses and professional relationships within our hamlets and nearby villages. We seek to connect our residents to local commerce through membership, networking and community events.

Established in 2018, below is a list of programs and events that we offer.

- Promote members through our website and social media platforms such as Facebook and Instagram
- Hold and Attend special programs and events, such as Monthly Membership Meetings, Monthly Board of Director Meetings, Scholarship Awards Ceremony (award scholarships to seniors from the Mt. Sinai and Miller Place High Schools), Student Volunteer Program, Loyalty Card Discount Program for residents and members, Ribbon Cutting Ceremonies for new and current members.
- Notable membership affiliations include: Brookhaven Coalition of Chambers, Miller Business Center, Heritage Trust and Heritage Center at the North Shore Heritage Park

For the future of the chamber we need the support of our local business owners and residents to sustain. We hope you can help!

Please contact us, we are looking forward to hearing from you.
